This is the Sudoku puzzle for the prize competition for members of Mensa in the Channel Islands and was included in the May 2008 copy of Thinks. The competition is open until we have received correct entries from both the Bailiwicks of Jersey and Guernsey or until the end of June if winning entries have not been received by then.

Submit your entry to Lawrence Woolf as soon as possible.

The two prizes on offer are Mensa Coffee Mugs, one for a member in Jersey and one for a member in the Bailiwick of Guernsey.

Have fun with it and good luck!
